THOMAS VALE CONSTRUCTION

Site:

LIGHTMOOR EXTRA CARE SCHEME, TELFORD

Contract start: 24.06.2010

Contract Finish: 01.10.2010

Description of works:

The Supply and Installation of Gas Membrane System for a New Care Home

Thomas Vale asked Reeve-Tec Membranes to provide a "First Time Right" and "Quick Response Solution" to supply and install a Gas Membrane which met all regulations, CIRIA Guidelines etc, within the Build Programme which Reeve-Tec Delivered.

Problems Reeve-Tec Membranes overcame:

- Low Levels of Methane Gas
- Difficult Construction Details
- Strict Construction Programme
